* being harried up to great height
by a Kingbird

Received "Marty" - imm. Martin
today - released him to colony
at Underwood near Little
Falls. Young still being
fed on top of nest box

8-11-63 Sun. 67°-88°

King snake at back fence
- in poor "plumage" - being
trailed by Thrashers,
Mockers & Cardinals.
Very sluggish - perhaps

about to shed.
